

It is a joy for us to inform the Communities of the Order that, in the Solemnity of the Immaculate Conception of the Virgin Mary, the community of Santa Maria Mãe da Igreja in Portugal began its regular life in what will become the guest house of the Monastery.

We entrust these beginnings to the prayers of the Communities and once again we thank the Houses which, with charity and trust, have helped us financially, allowing us to carry out this first part of the monastery.

We share with you some photos of the buildings and of the regular life that is now organized there.
