

## CALDEY

On Wednesday 20<sup>th</sup> July, in the early hours of the morning, our **Brother Paul** (Karl Cuschieri) died peacefully in his sleep. He was hospitalised after suffering an acute attack of a ruptured aneurysm.

Brother Paul entered our monastery on March 26<sup>th</sup> 1983 and made his solemn Profession on 3<sup>rd</sup> September 1988.

For many years he was the mechanic of the island. For the last 18 years he lived a more secluded way of life in a fully contained hermitage that he managed to build with his own hands.

Brother Paul is one of those characters that can be best described as 'a rough diamond'. Many sharp edges indeed...but underneath all that a great beauty to be treasured by all of us! He was 79 years old when the Lord called him. May he rest in peace.
